WHAT WE DO

We supply government agencies, municipalities, firefighters, police, non-profits, and other qualified organizations with the following equipment on

NEW YORK STATE CONTRACT:

- ✓ Permanent Standby Generators
- ✓ Portable and Towable Generators
- ✓ Towable Light Towers
- ✓ Transfer Switches
- ✓ Electric Vehicle Charging Stations
- ✓ Portable Safety Barricades and Signage

We also supply local resellers and generator installers from our warehouse in Rochester, NY.

WHY WE'RE DIFFERENT

- Our entire product catalog is available to purchase direct using the **NYS OGS H.I.R.E. Contract**.
- State Contract pricing includes **freight** to the lower 48.
- We can supply a **full line of backup generators** in every size and for any application.
- We also supply **transfer switches, electric vehicle charging stations** and **portable safety barricades**.
- We have over **20 years of experience** supplying government, industrial, and commercial purchasers.
- When you buy from us, you get **dedicated and attentive customer service** that bigger companies can't provide.
- We are proud to be a **woman-owned small business**.
